

Contents	Page
1 Introduction.....	1
2 Scope and purpose	1
2.1 Scope	1
2.2 Purpose	1
3 Technology descriptions.....	1
3.1 Production	1
3.2 Storage and transportation	4
3.3 Use	10
4 Terms	12
5 References	21
Figures	
Figure 1—Steam methane reforming (SMR) schematic	2
Figure 2—Typical liquid hydrogen supply system.....	8
Figure 3—Examples of pressure-composition-isothermal (PCT) plots for reversible metal hydrides	10
Figure 4—Fuel cell principle.....	11
Appendix	
Appendix A—Additional information for considerations on ullage (Informative)	23
